Subject: Complete Notice of Intention to Commence Small Mining Operations, Organa Mineral Products, Organa Pit, Task 1561, S0550026, Wayne County, Utah

Dear Mr. Jackson:

The Division finds your notice of intention to commence small mining operations (Notice) complete, but before beginning mining operations, you must submit a reclamation surety in a form and amount acceptable to the Division. The Division will also need to receive a reclamation contract. The amount that has been determined in cooperation with the School and Institutional Trust Lands Administration is \$4000.00.

The surety may be submitted in various forms, including a certificate of deposit, cash (certified funds), a letter of credit, or a corporate surety. Please contact Beth Ericksen for information about submitting the surety and the reclamation contract. She can be reached by phone at 801-538-5318 or by e mail at [bethericksen@utah.gov](mailto:bethericksen@utah.gov).

Thank you for your cooperation during the permitting process. If you have additional questions, please call me at 801-538-5258 or Paul Baker at 801-538-5261.

Sincerely,

Susan M. White
